The Risks to Children

Children can be vulnerable to different forms of abuse and harm. It is important to recognise that abuse and harm of children can cover a wide range of circumstances and behaviours. For example, children can be at risk of:

- physical or emotional abuse

- neglect
- sexual abuse
- female genital mutilation (FGM)
- grooming and exploitation
- trafficking and modern slavery
- exposure to or infliction of domestic abuse
- bullying or cyber bullying
- exposure to other inappropriate content or behaviour, such as violence or criminal behaviour
- self-harm
- physical harm when engaging with activities without adequate supervision

The causal factors of any such harm and/or abuse can also be wide-ranging. For example, children can be placed at risk by family members or by members of the community.

Safeguarding children from harm and abuse is an essential responsibility for our Company. We are committed to ensuring that any child who comes into contact with our services is properly safeguarded. - taking positive steps to maintain the safety and wellbeing of children engaging with us as a Company

Responding to a Safeguarding Concern

Where a child is at immediate risk of serious harm, any adult present should call 999. Thereafter, an available Allocated Safeguarding Officer should be contacted as soon as is reasonably practicable.

Where there is a safeguarding concern but no immediate risk of serious harm, the adult who has heard or witnessed this concern should consult with an available Allocated Safeguarding Officer as soon as practicable and by no later than the end of that same day.

Where any child makes a disclosure relating to harm or abuse to an adult, it is important to:

- listen calmly and carefully, showing that their their views are taken seriously

- provide an appropriate and honest level of reassurance
- avoid interrogating children and asking probing, intrusive and/or leading questions
- avoid making false promises regarding secrets and confidentiality with the child (because any concern of abuse/harm must be shared with an Allocated Safeguarding Officer and any subsequent safeguarding referral)
- make a confidential *written* record of the discussion either during the discussion or immediately afterwards. The record should include the key details of the disclosure together with any relevant times, dates, places and people concerned. Audio and video recordings of children making disclosures should be avoided
- refer all relevant information to an available Allocated Safeguarding Officer as soon as practicable afterwards, and by no later than the end of the day

Upon receipt of any safeguarding concern, an Allocated Safeguarding Officer shall consult with any other relevant persons and will make any appropriate referrals to the relevant authorities, such as the applicable Local Authority Children's Services department.

Reporting concerns about other adults within the Company

Where any person has a concern regarding the conduct of an adult connected to the Company, which poses or may pose a safeguarding risk to children such as:

- harming a child either physically or emotionally
- exposing a child to behaviour which may cause physical or emotional harm
- engaging in criminal activity concerning a child

this must be raised in the first instance with an available Allocated Safeguarding Officer (or where this is not appropriate, a different senior member of the organisation) so that the next appropriate steps may be agreed and actioned. We recognise that there could be circumstances where a person may need to report a matter that has taken place in a setting outside of the person's engagement with the Company.

Usually, any appropriate steps following a safeguarding referral in respect of an individual connected to the Company will include either:

- further initial enquiries

- escalation to the applicable Local Authority Children's Services department for assessment and/or the police for investigation
- instigation of any appropriate disciplinary, formal investigation processes and suspension of any person concerned within the Company
- a referral to the Disclosure and Barring Service, Disclosure Scotland or Access Northern Ireland, or any other relevant regulatory bodies

Any person within the Company who has allegations made against them shall be informed properly in a formal meeting of the particulars of the allegations and the relevant next steps which shall be taken. Supervision

For most activities and events, our procedure for supervision of children is as follows:

For groups of children aged between 12-18 there will be one adult to every 10 children.

Where we hold any events or activities whereby a child attends alongside their parent or guardian, parents and guardians should ensure that children are properly supervised.

Managing Behaviour of Children Generally

Whenever any adult engaged by us is faced with challenging or inappropriate behaviour from a child or with conflict between children, they must:

- treat each child fairly and equally
- approach the situation in a calm and neutral manner
- only ever use physical restraint/intervention in order to protect the immediate safety of a person, for example to prevent an injury or harm either to the child or others
- wherever it is justified to physically restrain a child or to physically intervene, the amount of force used should be kept to the absolute minimum taking into

account the risk posed

- make a written record of the incident and ensure this is reported appropriately to an available Allocated Safeguarding Officer

Further details regarding our procedures for managing behaviour can be located in our behaviour policy:

On our website(www.techstudylondon.com/behaviour-policy) upon request from any staff member, on the wall of every reception area of our sites.

Managing Risks Posed by Other Children

It is important for all adults engaged by us to recognise that children can face harm from their peers. This can commonly take the form of bullying. Bullying can be defined as any behaviour which is:

- repeated; and
- has the intention of hurting somebody either physically or emotionally.

Bullying can sometimes be motivated by prejudices based on certain groups, for example gender, race, religion or sexual orientation. Bullying can often include:

- physical harm perpetrated against another child
- name calling and threats
- cyberbullying (threats and abusive comments made via technology)

Any instance of bullying or concern relating to possible bullying between children at any event or activities arranged by us will usually be dealt with by us in the first instance as follows:

All children and any relevant staff shall be spoken to individually to ascertain the facts. Where appropriate, children will receive a first warning and relevant support/education.

Where any behaviour amounting to bullying continues following this, the following steps will be taken:

The child or children who have found to be responsible for persistent behavior which amounts to bullying of another child shall be banned from attending the premises.

All steps in relation to the prevention or management of bullying should be taken in consultation with an Allocated Safeguarding Officer.

Photography

On some occasions, we may take photographs featuring children. We recognise that photography of children carries risks, such as:

- the potential for images to be re-used, shared or adapted in a damaging or inappropriate manner
- the general risk of sharing images and the impact this could have on child's public image as they grow older

In view of these risks, we will:

- always ask for written permission from a child and their parent/guardian before taking and sharing any image of them
- always ensure that a child and their parent/guardian are properly informed how an image will be used and shared
- always ensure that a child's identity is protected as far as is possible within any published material
- ask that parents, guardians, children and any other person connected to them who may wish to share any of our published images which features other children to refrain from doing so unless they have the permission of the other children and their parent/guardian
- always store photos in accordance with our data protection policy.

We ask that any parents, guardians and other members of the public take the following into consideration when taking photos at our premises, events or activities:

- images of other children should not be shared on social media without the permission of any children who feature in the images, together with the permission of the children's parent/guardian
- images which are shared on social media should be shared cautiously, with the appropriate privacy and security settings in place.
